WORK EXPERIENCE

Adobe

Segment & Field Marketing Intern

San Jose, CA

June 2026 – present

- Supported **3 field marketing** events by coordinating attendee logistics, customer engagement, and day-of execution
- Leading development of an AI tool that recommends contacts across **12 pilot accounts**, reducing manual account research
- Facilitated **weekly** stakeholder reviews, tracked action items, and aligned teams on project milestones and pilot readiness
- Balanced scope and timeline constraints by reducing the project to a **4-feature MVP** using **MoSCoW** prioritization

Alaska Airlines (Contract via TalentBloom)

Program Manager Analyst

Renton, WA

Oct 2025 – May 2026

- Coordinated **92 program milestones** and **54 RAID items** across **5 cross-functional teams**, supporting the integration
- Produced **72** training assets supporting rollout across **24 airport stations**, enabling leaders to prepare for system rollout
- Facilitated **weekly** stakeholder meetings, documented action items, & tracked mitigation plans to maintain program health
- Maintained project documentation and **EPMO** governance deliverables to ensure successful implementation

Girls Scouts of Western Washington

Project Manager and Designer (Contract)

Seattle, WA

January 2026 – June 2026

- Led delivery of Washington's first *State of the Girl* report by coordinating research activities and stakeholder feedback
- Synthesized feedback from **5 stakeholders** into report strategy, content priorities, and information architecture
- Coordinated **6 iterative review** cycles to ensure alignment across sponsors and contributors
- Managed project timelines, stakeholder communications, and risk tracking across our **3 partners**

ADAPT Lab

Marketing Research Assistant

Seattle, WA

July 2025 – January 2026

- Led execution of **7** participant recruitment initiatives, coordinating outreach activities to meet enrollment milestones
- Designed and iterated participant recruitment strategies using engagement data to improve campaign performance
- Managed recruitment operations that generated **12K+ impressions** and **83** qualified participants within **6 weeks**

YouTube

Dec. 2021 – April. 2023

- Produced and managed **72 videos** and **4 livestreams**, coordinating production schedules, editing, and publishing
- Grew channel reach to **5.6M impressions** and **978K views** through iterative experimentation and performance analysis
- Managed creator partnerships and collaboration, coordinating deliverables, timelines, and publishing schedules
- Generated **\$2.3K+** in advertising revenue through audience growth, content optimization, and monetization strategies

PROJECTS

TuitionBud AI | R, Figma, Canva, Notion

April 2025 – May 2025

- Led project execution for a **6-member** team, delivering an AI-powered Chrome extension MVP within a **6-week** timeline
- Managed project scope by prioritizing **3 features**, ensuring delivery while balancing user needs and technical feasibility
- Conducted **4 stakeholder** interviews and meetings that informed feature prioritization and product direction
- Presented product strategy and competitive positioning to an audience of **32 peers** using market research

FashionForward | Figma, Miro, Azure DevOps

March 2025 – June 2025

- Conducted user and stakeholder research to define product requirements for a digital supply chain transparency platform
- Synthesized insights from **7 stakeholders** into an ecosystem map and product vision
- Translated business requirements into **6 epics**, **4 OKRs**, and **37 user stories** supporting agile delivery
